In the ISR, students are recorded as franchised out only if more than 50% of their guided learning hours take place at another institution.

Numbers less than five are represented by an asterisk, and institutions with a total number of franchised out students less than five are not shown

Numbers given are headcounts, derived from isr98.hefderiv and isr98.isrjul using from-FECs.sas, data for Halton College updated (i.e. removed)

The following institutions and combinations of institutions have been removed, on account of having a total of less than five franchised out students :

Cornwall College
Grimsby College
Preston College
