| Other UK institution                                       | Farnborough College of Technology        |                          | *                        | *     |
|  | Preston College                          |                          | *                        | *     |
|  | Reading College & School of Art & Design |                          | 34                       | 34    |
|  | The Solihull College                     |                          | 9                        | 9     |
|  | Tynemouth College                        |                          | 32                       | 32    |
|  | West Herts College                       | 27                       |                          | 27    |
| RMBC   | Rotherham College of Arts and Technology |                          | 11                       | 11    |
| Surrey Language Centre                                     | Farnborough College of Technology        |                          | 56                       | 56    |
| Wolsey Hall (Oxford) Ltd                                   | Oxford College of Further Education      |                          | 35                       | 35    |
| Grand Total  |  | 167                      | 548                      | 720   |

In the ISR, students are recorded as franchised out only if more than 50% of their guided learning hours take place at another institution.

Numbers less than five are represented by an asterisk, and institutions with a total number of franchised in students less than five are not shown

Numbers given are headcounts, derived from isr98.hefderiv and isr98.isrjul using from-FECs.sas, data for Halton College updated (i.e. removed)

The following institutions and organisations have been removed, on account of having a total of less than five franchised in students :

Bluecrest Freebooter

The Royal Cornwall Hospitals NHS Trust

Yorkshire Coast College
